Ramadan Karim!

The Vice-Chancellor, Prof. I.F. Adewole rejoices with Muslim Faithfuls in the University at the beginning of this year’s Holy month of Ramadan.

He prays that Almighty Allah would see all safely through the month. He enjoins the Muslim faithful to seize the opportunity of the Holy Month to pray for peace and continued growth of the University in particular and Nigeria in general.

Prof. Adewole however cautions that those who are fasting should be very mindful of their health and do things in moderation while breaking their fast.

Thank you.
