*Special Release*

*17 August, 2010*

### **COMMUNITY FORUM 2010 COMMITTEE**

On behalf of all Staff and Students' Unions, University of Ibadan, the University of Ibadan Community Forum 2010 Committee organizes an Interactive Session with candidates for the office of Vice-Chancellor.

As part of our contribution to the on-going process for the appointment of the next Vice-Chancellor of the University of Ibadan, all the Unions (including students) are organizing a platform tagged '**Voices of the next Vice-Chancellor**'. It is a level-playing field interactive forum with aspirants to the Office of Vice-Chancellor.

The Community Forum which was initiated in Year 2000 offers all aspirants to the Office of Vice-Chancellor an opportunity to address the University Community on their Vision and Mission. Indeed, it is a platform whereby "the aspirants to the most esteemed position" in the University of Ibadan "would meet and rub minds with their immediate constituency and all stake holders in the system". It is therefore an attempt at broadening participation and enhanced transparency of the process.

All members of the University Community are therefore invited to attend the Third Community Forum in respect of the appointment of the Vice-Chancellor of our University.

Details of the event are as stated below:
