Special Release

29 April,

NOTICE TO UNIVERSITY TENANTS

Management has noted that many occupants of University houses have either tampered with their electric meters or have none at all. The resultant effect of this is that, many members of staff who live on campus do not pay for the energy consumed in their official quarters, and this sharp practice has been on for several months/years as the case may be.

Management has therefore decided that the University of Ibadan tenants who either have no meters or whose meters are faulty should please report to the Director of Works **immediately**.

Failure to comply with the above directive may lead to the forfeiture of accommodation on campus.

Please be warned.

Omotayo O. Ikotun (Mrs.)
Registrar
