The University Governing Council at its Statutory Meeting held on **Saturday, 28 May, 2011** took the following decisions among others:

- i. Approved the recall of Mr. O.N. Odebowale to the University with a proviso that his letter of undertaking should include the following:

"I also undertake not to do, aid or abet anything, either acting alone or in concert with any student, staff or with anybody at all that will hinder, endanger or impair the peace and harmony on the University Campus."

It also agreed that Mr. O.N. Odebowale should not be paid any compensation since he was not a confirmed staff of the University and should be placed under surveillance for a period of Eighteen (18) months.

- ii. Approved the dismissal from the University Service of Dr. M.B. Fabunmi of the Department of Educational Management with effect from **28 May, 2011** on grounds of an act of gross misconduct.
- iii. Rejected the appeal of Mr. T.A.B. Olatunji and suggested that he could appeal against the earlier ruling if he so desired.
- iv. Upheld its earlier decision that Dr. Adenike A.O. Ogunshe should be strongly reprimanded on grounds of an act of not Teaching Assigned Postgraduate Courses in the Department of Botany and Microbiology in 2008.
- v. Mitigated the dismissal from the University Service of Ms. Temidayo A. Gbologe to non-payment of her annual increment for one year; and delay in her promotion for two years with a strong reprimand in writing on grounds of act of illegal sale of bedspace in Obafemi Awolowo Hall. It also directed that she should be recalled to the University with immediate effect.
- vi. Upheld its earlier decision that Mr. Paul U. Ukoyen be dismissed from the University Service with effect from Tuesday, 9 November, 2010 on grounds of an act of fraudulent collection of money to upgrade the examination marks of a student in the Department of Botany and Microbiology.
- vii. Upheld its earlier decision that Mr. S.O. Sodeinde's appointment should be terminated with effect from Tuesday, 9 November, 2010 on grounds of unlawful removal of diesel oil from the Department of Works and Maintenance. This is due to the fact that others who committed the offence with him had had their appointments terminated/dismissed from the University Service.
- viii. Noted the letters from the following staff Unions:
 - a. SSANU's Letter titled "**Re: SSANU Demands of the Congress**" dated **11 May, 2011**; and

- x. Construction of Access Roads, Bridges and Road Network to Ajibode (Lot 1) being handled by Messrs Hajaig Construction Company.
 - (a) noted that the persistent lack of seriousness on the part of the contractor in progressing sufficiently with the work, has grave implications for the image, not only of members of Council, but the University at large;
 - (b) directed that the University Management should seek the services of a private Quantity Surveyor to carry out an independent assessment of the entire project. This is with a view to determining how much work has been done;
 - (c) directed that no further payment should be made to the Company until the project is satisfactorily completed; and
 - (d) agreed that determination of the contract and instituting legal action for damages against the Company may be inevitable, if the Contractor is not seen to tackle the job with all seriousness.
