FAKE WEBSITES AND LINKS FOR PAYMENT OF POSTGRADUATE FEES

Management wishes to inform the University Community and the general public of the discovery of fraudulent activities on the Postgraduate School student fee payment portal platform which may be greatly short-changing the University.

Some swindlers have opened fake websites and links directing candidates to pay fees into an Eco Bank account. The account, which has been found to be personal, is used to receive fees which, ordinarily, should be paid into designated University accounts.

The said account has the following particulars:

Account Name: Osimen Kingsley

Account No: 5532024002

Telephone Number: 07038584664

Management, hereby, dissociates itself from the above transaction.

Anybody who transacts business with the above named or his cohorts in connection with the University of Ibadan, especially on The Postgraduate School fees, does so at his/her own risk.

Students should please approach the **Deputy Registrar/Secretary, The Postgraduate School, University of Ibadan, Ibadan** for its authentic student account.

Thank you.
