**USING THE CAR PARKS AT THE UNIVERSITY MAIN GATE: NEED FOR OFFICIAL
UNIVERSITY CAR STICKERS**

Management has noted with concern the increase in the number of vehicles of non-members of the University community parking at the car parks at the University Main Gate.

To this end, it has been resolved that non-members of the University community using the parks will, henceforth, pay a token.

It is, therefore, important for all staff, students and retirees of the University to obtain appropriate car stickers from the Campus Security Service in order to be exempted from payment of parking fees.

Thank you.
