## RECOGNITION OF NATIONAL UNION OF PENSIONERS

The Staff Unified Pension Board of University of Ibadan at its statutory meeting held on 23 June, 2011 re-affirmed its earlier decision to recognise the registered National Union of Pensioners as the **only** Trade Union on campus for pensioners. This decision was informed by the desire not to act outside the law and for industrial harmony to prevail on campus.

In this regard, all break-away associations from the National Union of Pensioners (NUP) are enjoined to please team up with their umbrella body (NUP) for the overall improved welfare of the senior citizens.

Thank you.
