

Staff Retreat

*Transforming a University
with
Strong team and capabilities*

December 14 – 15, 2023

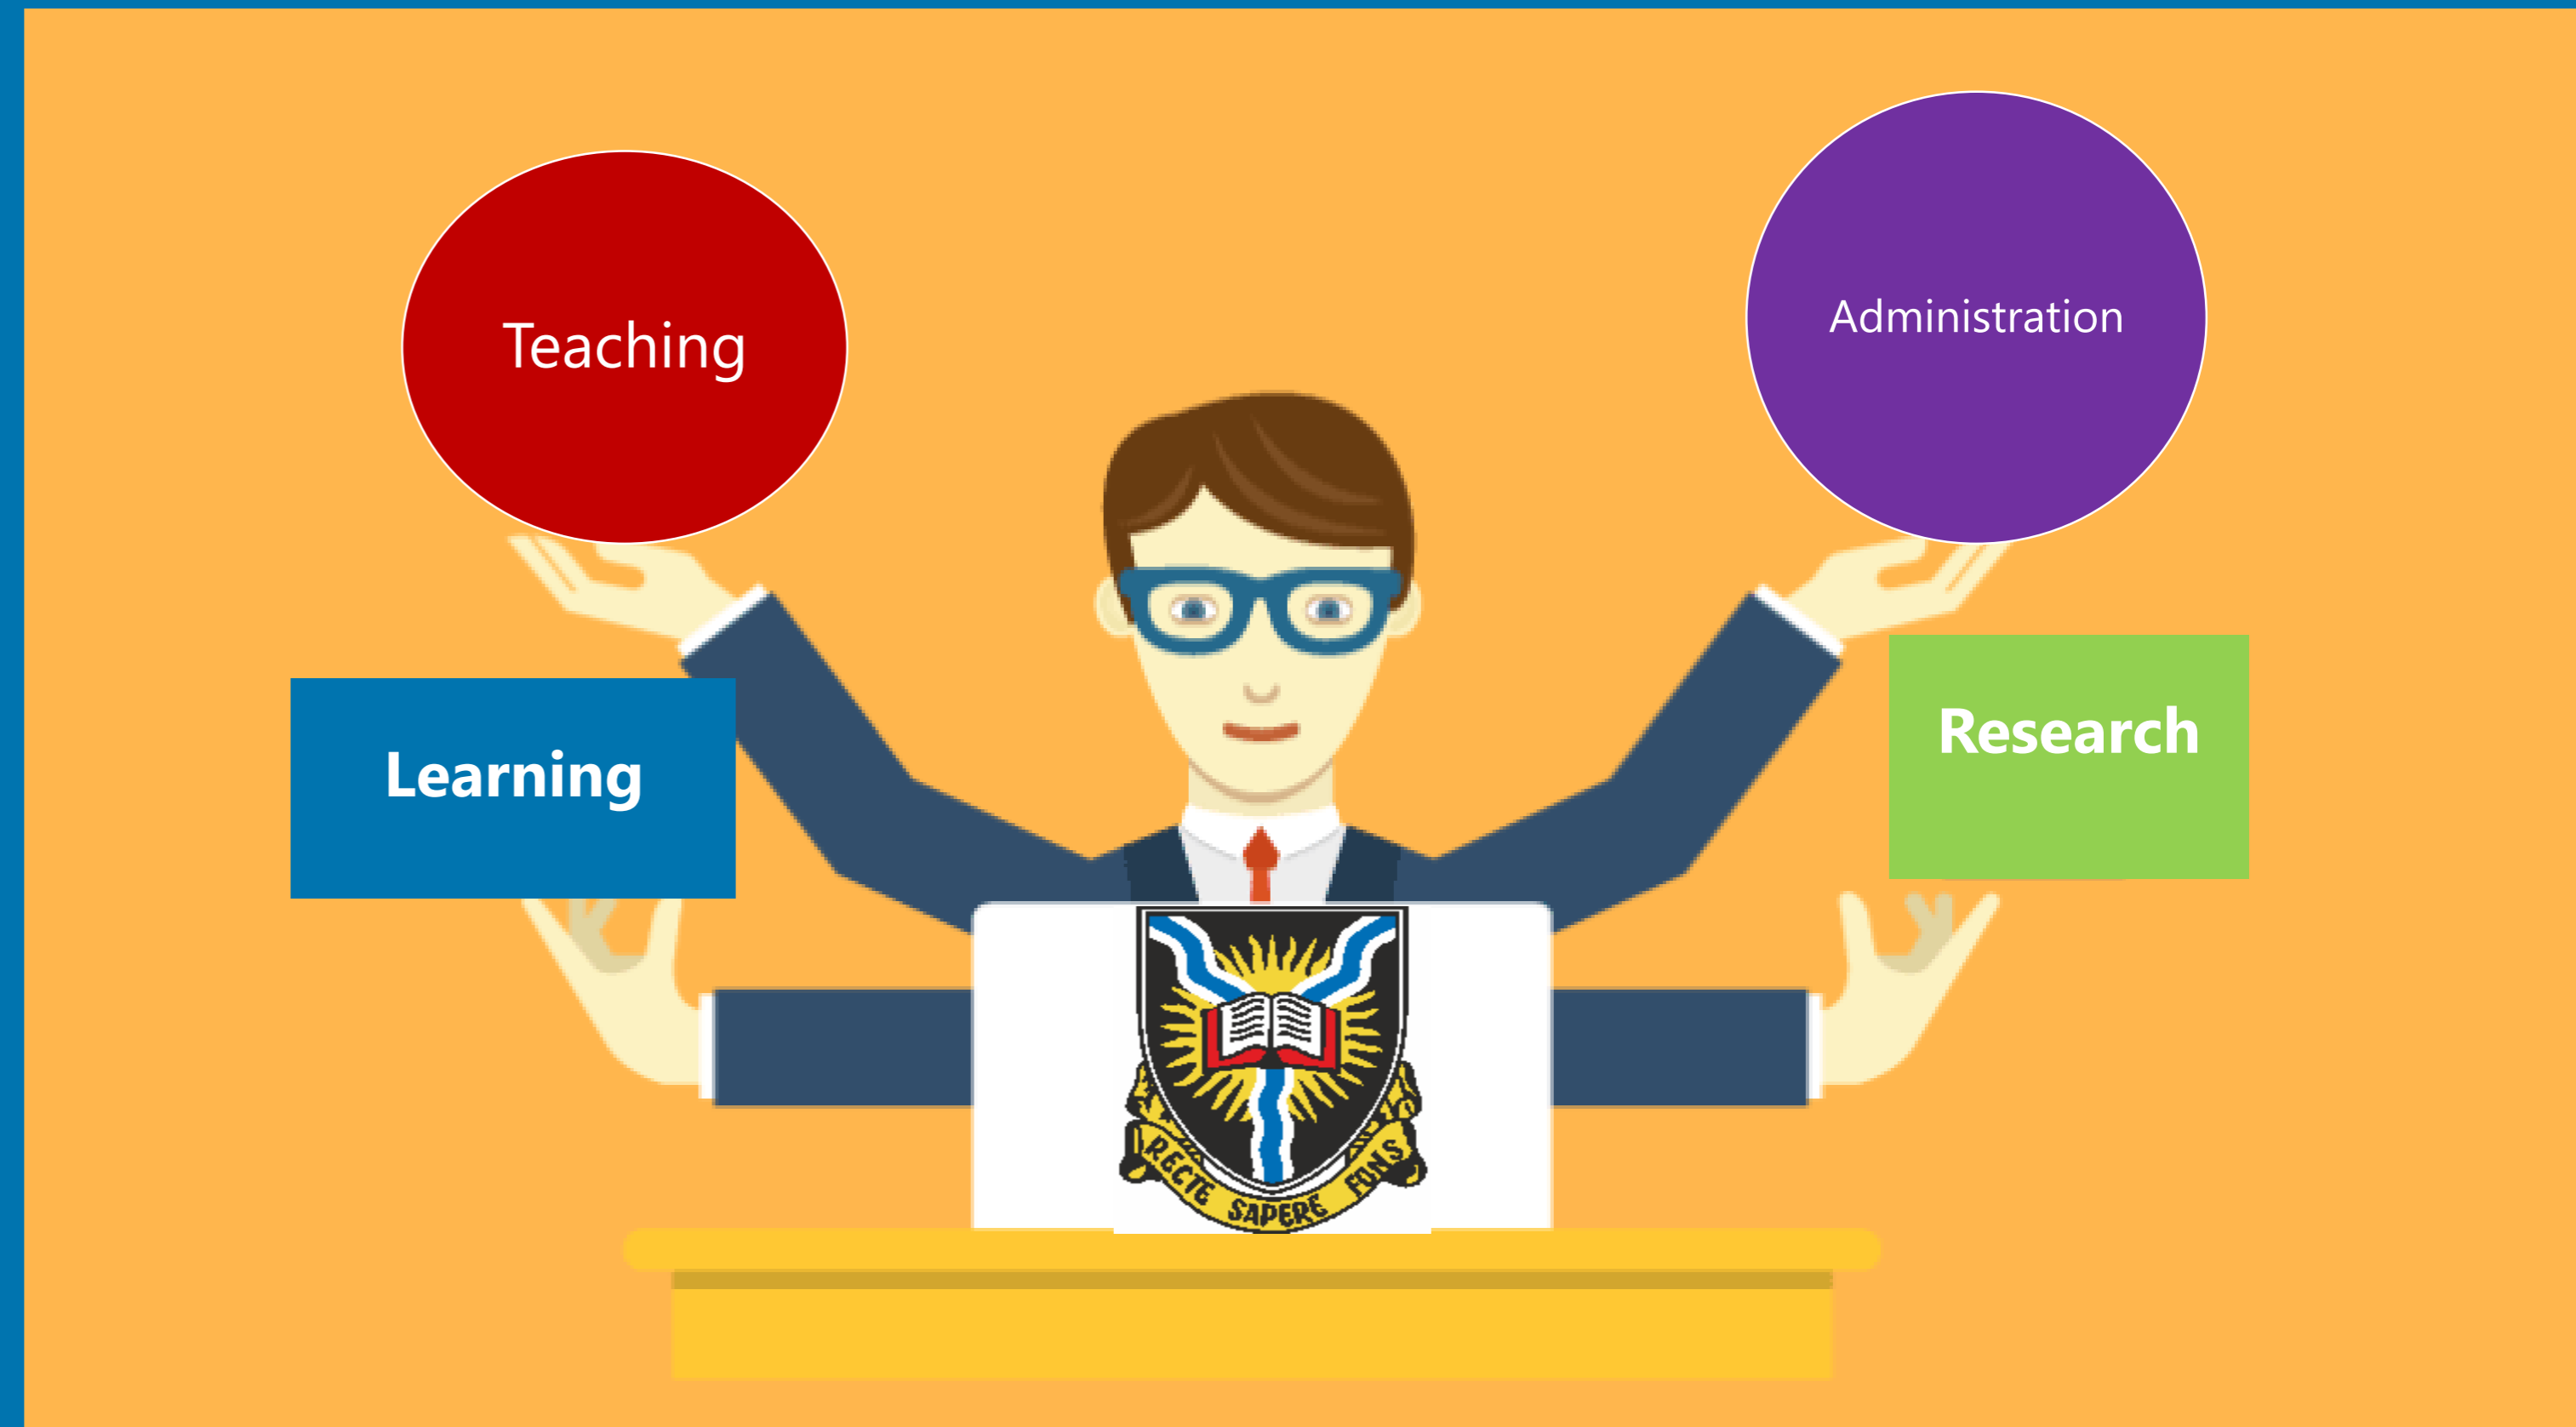

WHY THE RETREAT?

**Transforming a University
with
Strong **team** and capabilities**

Information Technology and Media Service provide the platform and content to revolutionize teaching, learning, research, administration and **community service**

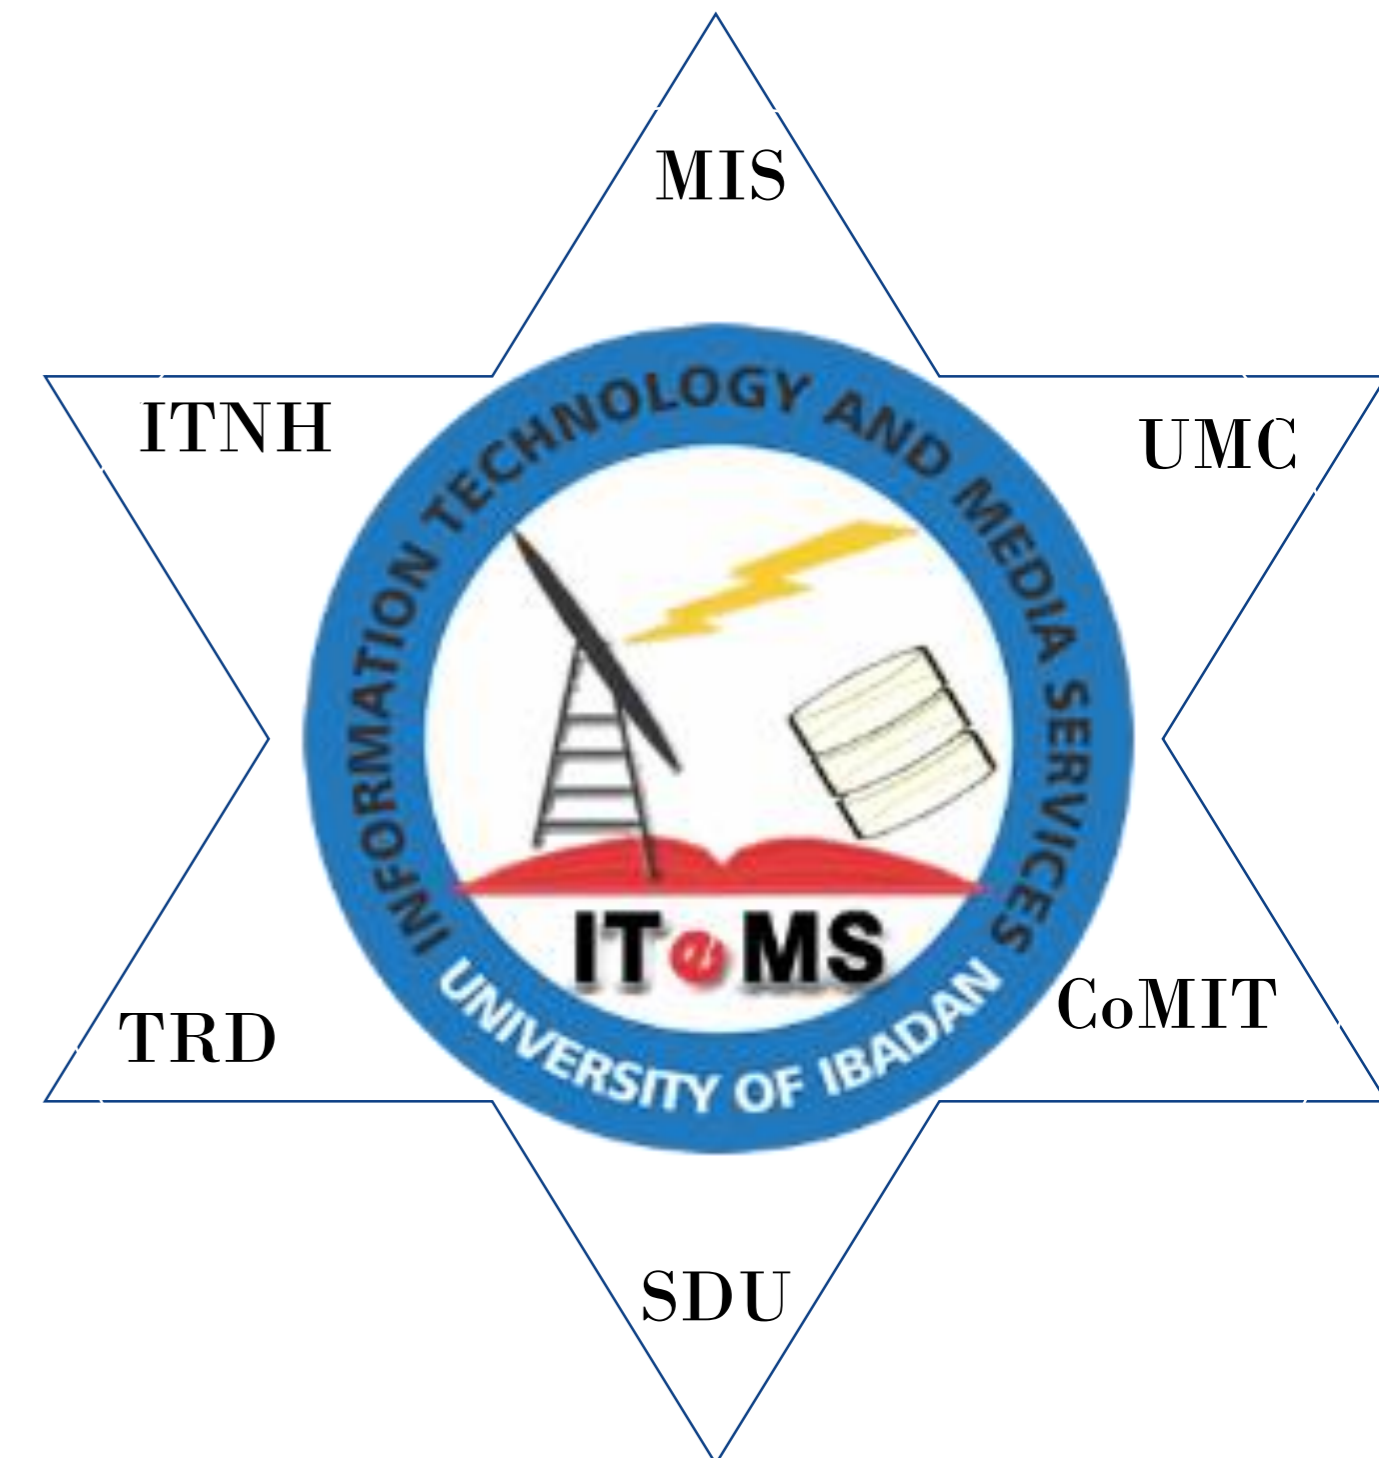

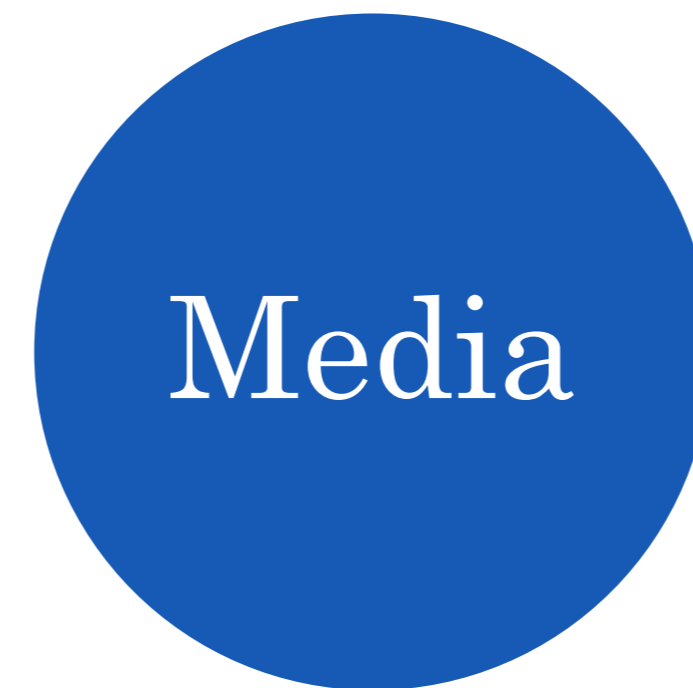

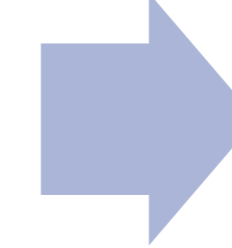

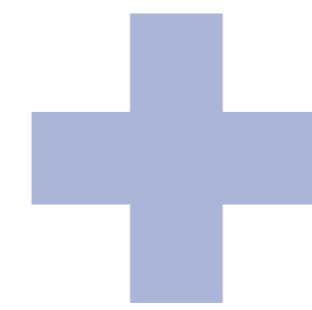

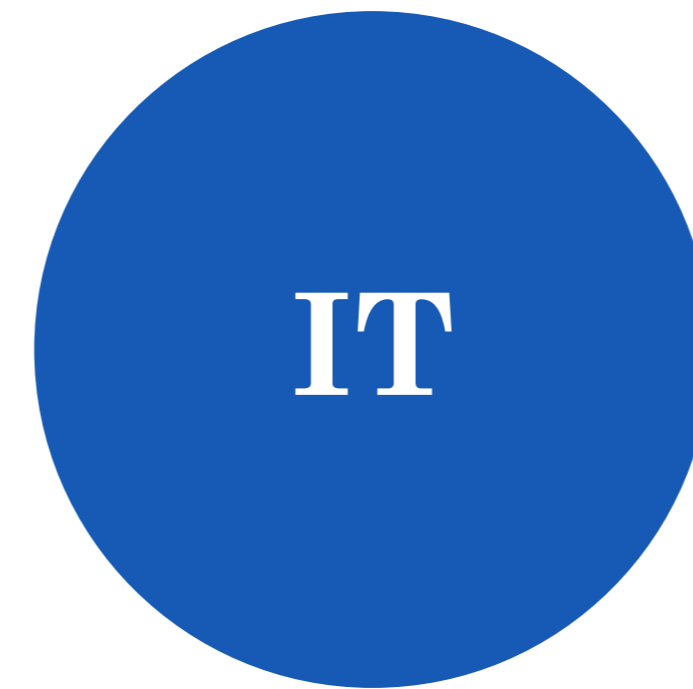

The centrality of our role
is both our strength and
a challenge -

The YEAR 2012 – Foresight of University Management

The Directorate of Information
Technology and Media Services (ITeMS)
was created as a one-stop solution centre
for all issues related to information and
media technologies.
