

**UNIVERSITY OF IBADAN
FACULTY OF SCIENCE**

OFFICE OF THE DEAN

**PROFESSOR ADENIKE OSOFISAN DISTINGUISHED
SCIENCE FACULTY
SCHOLAR AWARD 2019**

Call for Nominations

Nominations are invited from members of the Faculty of Science for the above award.

- Nominations must consist of the name of the candidate, the Open Researcher and Contributor ID (ORCID), Google Scholar link and profile (no of citations, h-index, i10-index); and Research gate link and profile (RG Score, Research items, Reads and Citations)
- The nominated candidate would be required to submit two copies of his/her publications for 2019

DESCRIPTION

This award is intended to recognize and honour Faculty scholar(s) whose researches have highest global impact in an academic year. The essence is to encourage Faculty members to publish in reputable international journals and make their work visible in academic databases and search engines.

ELIGIBILITY

- Open only to Academic members of Faculty of Science;
- There is no age, rank, or academic qualification limit; and
- Recipient of the award in any two preceding academic Sessions not eligible.

PRIZE: A cash price of One hundred thousand Naira only, a plaque and a certificate.

CLOSING DATE: 4 July, 2021.

Prof. A.E. Ayodele
Dean of Science
