RE: NELFUND BENEFICIARIES

Further to our circular number REG/13/I.27 of 18 September, 2024, I write to inform the University community that the Nigerian Education Loan Fund (NELFUND) has now credited the University of Ibadan with funds for the 3283 students whose loan applications had just been approved.

Affected students are therefore directed to go online and complete their registration by paying through the wallets created for them on the Portal.

To this end and in furtherance to the agreements reached with the leadership of the Students Union on Thursday, 19 September, 2024, students who are yet to complete their registration now have till 12 midnight of Tuesday, 24 September to complete their registration.

The above is for information and strict compliance by staff and students please.

Thank you.
