NOTICE TO STUDENTS

REGISTRATION TIMELINE UPDATE

All students are hereby informed that the recently published registration timeline remains in full effect. However, in response to concerns raised by students regarding the stated timelines, the following clarifications are provided for the attention and guidance of all concerned.

1. Registration Deadline and Portal Closure

The registration portal for the 2025/2026 session is opened till 30th, April 2026 and closes 1st May, 2026 as previously communicated.

The 16th April, 2026 timeline is established to afford lecturers adequate time to review submitted registrations, grant approvals, and render any necessary feedback on time before closure. Registration remains valid until 30th April, 2026.

2. NELFUND Applicants

Students who have submitted applications under the NELFUND scheme are advised to exercise patience, as all applications are currently in the review process. Applicants shall be duly notified of the status of their applications and the next steps in due course. Be assured that such students will not be left disadvantaged, even if NELFUND Loan is released late.

Thank you.
