**REMINDER – OPPORTUNITY TO ENROLL FOR FREE COURSERA COURSES EXTENDED TO SEPTEMBER 30, 2020**
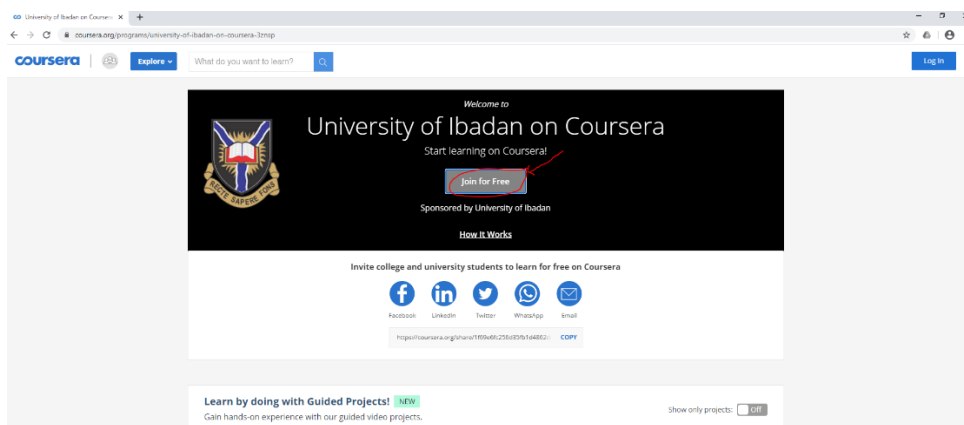

The University subscribed to over 3,800 courses in 400 specialisations about two months ago. Most of these courses ordinarily attract subscription fees but were offered free as part of the efforts of the giant online training company - Coursera - to impact the world at this time.

Staff and students were encouraged to take advantage of this opportunity worth hundreds of dollars but not many have done so.
