The screenshot displays the user interface of the LMS. At the top right, the user's name 'Adedotun Adeniyi' is visible next to notification and chat icons. A navigation menu on the left side includes 'Dashboard', 'Site home', 'Calendar', 'Private files', and 'My courses'. The main header features a graduation cap icon and the text 'UI The First & The Best'. A 'CUSTOMISE THIS PAGE' button is located in the top right corner. Below the header, the 'Course overview' section includes a filter dropdown set to 'ALL (EXCEPT REMOVED FROM VIEW)', a sort dropdown set to 'COURSE NAME', and a view dropdown set to 'CARD'. The first course tile shown is for 'Electrical and Electronic Engineering Applied Electricity'.

Enrolling for a New Course:

1. Accessing Courses: Click on "Courses" to search for new courses.
2. Search and Select: Enter the course code or title in the search box and click "Search."
3. Course Selection: Click on the searched course to view details.
4. Enrollment: Click on "Enrol Me" to enroll in the new course.
5. Dashboard Update: The enrolled course will appear on your dashboard.

Dashboard Update

The screenshot shows a dashboard interface with a blue header bar. Below the header, there is a section titled "Course overview". At the top of this section, there are two filters: "ALL (EXCEPT REMOVED FROM VIEW)" and "COURSE NAME". Below the filters, there is a grid of course cards. The first card is for "Electrical and Electronic Engineering Applied Electricity". The second card is for "Electrical and Electronic Engineering Communication Systems I". The third card is for "Computer Science CSC 101: Introduction to Computer Science". A black arrow points to the "Computer Science" card. Below the grid, there is a partial view of another card with the text "Electric Field (E)".

The enrolled course will appear on your dashboard as shown
